INITIATIVAPPLICATION AS FRONTEND DEVELOPER

Dear Sir/Madam

with my completed training as a junior web & software developer with MERN technology and a bachelor's

degree in chemical engineering, I would like to start your company with mine support know-how. In this

context, I would like to introduce myself briefly. I am currently doing my self-study Data Science, Data

Analysis, Machine Learning (Artificial Intelligence) and Python with TensorFlow, Pandas & more!

at Udemy. while my job at Allianz AG I have practical experience in programming software projects and testing

system applications.

My tasks included:

the development of creative solutions for a variety of software platforms,

Support in the development of a mobile cost accounting software for a customer

The development of a new document management system.

During my education, I worked continuously and hard to improve my programming and Improve web

development skills. I am determined; it inspires me through application of data analysis skills to make

difference. Thanks to my problem-solving skills, it is I am able to tackle challenges and achieve results.

My academic experiences have helped me develop my skills in teamwork, helped a lot with critical thinking

and communication. My native language is English and my knowledge of German is at level B2.2 I love it in

multicultural and to work in multi-professional teams. I can make it possible to start work at short notice

because I am currently not contractually bound on. I am already looking forward to your invitation to get to

know each other personally and I am standing in the meantime available for questions.

Kind regards

Susann Nwokorie

P.S.: When you are hired, you can get a so-called integration allowance from the jobcenter or the employment

agency be applied for, which subsidizes up to 50% of my salary

Sussan Nwokorie
JUNIOR SOFTWARE DEVELOPER

Subject: Internship Completion Certificate
for Mrs. Sussan Nwadiuto Nwokorie

Sehr geehrte Frau Nwokorie,

this is an **Internship Completion Certificate** for Mrs. **Sussan Nwadiuto Nwokorie,** Software Developer.

We state on record that Sussan Nwadiuto Nwokorie has successfully completed an internship project in the role of **Software Developer Intern at Allianz** Office Janusz-Korczak-Straße 13 in 12627 Berlin.

The internship start date was 1st March 2022 and end date was 28th April 2022 and location of this internship was the Allianz Office in Berlin City.

During this period Sussan worked on various areas of Software product development and successfully met the objectives that were set at the beginning of the project. Sussan shows a lot of promise and skill in her work and we wish her all the best in all her future endeavours.

Thanking you,
Yours Sincerely

Christof Reimann
